Drawing to be held at 2008 Tournament
Free shipping if you are not present in York

High-Quality and unique horseshoe-related items are now available to help support the 2008 World Horseshoe Pitching Tournament in York, Pennsylvania.

Most of these items have been hand-made by our members.

(Item #1) Handmade wooden Horseshoe Box

This handmade box is crafted by one of our Western Pennsylvania Pitchers. It holds a single pair of shoes, is padded inside, has plenty of room for tools, and the outside is carved with deer / pine trees

(Item #2) Wreath made out of horseshoes

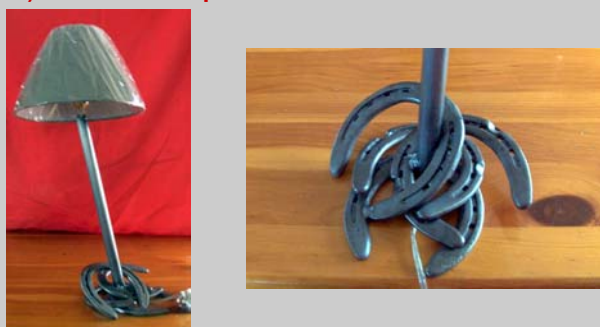

We hang this 14" wreath on the door of our club, and change the fabric (just use bandannas) depending on the season.

(Item #3) Woman's Horseshoe Watch

This beautiful woman's watch was donated by a member from Philadelphia. It has an adjustable band, horseshoes around the wrist and the face of the watch.

(Item #4) "4-Dead" Lamp w/stake and hshoe base

These lamps are handmade by one of our pitchers. Each one is unique and they are approximately 21" high with an 8" diameter base.

(Item #5) Handmade Hshoe Stepping Stone

This 12" diameter stepping stone is an actual horseshoe imbedded in concrete with stones to make it look like a flower pot. We use this as a "Welcome" stone at our club courts.

(Item #6) Horseshoe Wall Rack

Three small horseshoes are welded together to make this 14" x 5" wall rack.

We have more items being made so check back often. **Some additional pieces** being made by our pitchers include a **stained glass hanging**, **wooden keystone (the symbol for Pennsylvania) with engraved horseshoes**, a **"4 dead" quilted pillow**, **specially made license plates**, & **two crocks produced specifically for 2008wt**

2008 Tournament Memorial Quilt

(also has tabs on back for hanging)

An original wall hanging or throw measuring 48" x 48" has been pieced and quilted with various silhouettes depicting the sport of horseshoe pitching. Even the spacing squares have quilted horseshoes.

Millie Piascinski of New Castle, Delaware created this piece specifically for the 2008 World Horseshoe Pitching Tournament.

CROCKS: These salt-glazed stoneware crocks are hand-made by Eldreth Pottery. The crock with 2 horseshoes on the stake was donated by Oxford Horseshoe League (Oxford, PA) and measures 7.5" high x 8" diameter. The crock with 1 horseshoe on the stake was donated by Eldreth Pottery and measures 7" high x 7" diameter. Both pieces have been scratch signed on the bottom by the artist and read "2008 World Horseshoe Tournament, York, PA" on the back. Take a tour of this unique shop and watch pottery being made by the artists. Please visit their website www.eldrethpottery.com for more details, or call (717) 529-6241.
